Built in 2019, Windward is an impressive beach house overlooking the tranquil beaches of Bracklesham, with views across the Solent towards the Isle of Wight. Astute in its design this home is packed with immense charm and individual character and cleverly takes advantage of its fantastic south-facing position and sweeping sea views. The property offers versatile and generous accommodation of 2565 sqft across three spacious and light bedrooms, three sleek modern bathrooms, a neat study or optional 4th bedroom, an inviting and cosy living room, and an elegantly designed kitchen which is flooded with light from the roof lantern. The two sets of rear sliding doors provide the ground floor with the option of being 'inside-out' and truly encapsulates the beauty and sound of coastal living. There is underfloor heating throughout.

Outside the property enjoys a private rear garden, enclosed by a combination of fences and flint walling and provides a perfect beachside shelter and suntrap. Handily, the garden has a heated outside shower and large storage shed with racking which is ideal for storing surf and paddle boards. The private, gravel driveway provides ample parking for multiple vehicles and further storage is available in the detached garage.
